Parliamentary Information List

Standard Note: SN/PC/04659

Last updated: 24th February 2009

Author: Department of Information Services

The Parliamentary Information List series covers various topics relating to Parliament; they include Bills, Committees, Constitution, Debates, Divisions, The House of Commons, Parliament and procedure.

Also available:

[Research papers](#) – impartial briefings on major bills and other topics of public and parliamentary concern, available as printed documents and on the Intranet and Internet.

[Standard notes](#) – a selection of less formal briefings, often produced in response to frequently asked questions, are accessible via the Internet.

[Factsheets](#) – the House of Commons Information Office Factsheets provide brief informative descriptions of various facets of the House of Commons.

[Education web site](#) – a web site for children and schools with information and activities about Parliament.

Any comments or corrections to the lists would be gratefully received and should be sent to: [Parliamentary Information Lists Editor](#), Parliament & Constitution Centre, House of Commons, London SW1A 0AA.

Notes: Ministers who departed office simultaneously with leaving Parliament are not listed. Departing ministers' replacements are listed only where comparable ministerial responsibilities are transferred; this is not always the case, as ministerial reshuffles may coincide with a reallocation of responsibilities within Government departments.
